ATTACKERS EXHIBIT PART TWO

The attackers, The White House and Government agency staff set-up a tentacular, layered covert payment and command/control system in order to operate and disguise their attacks. The

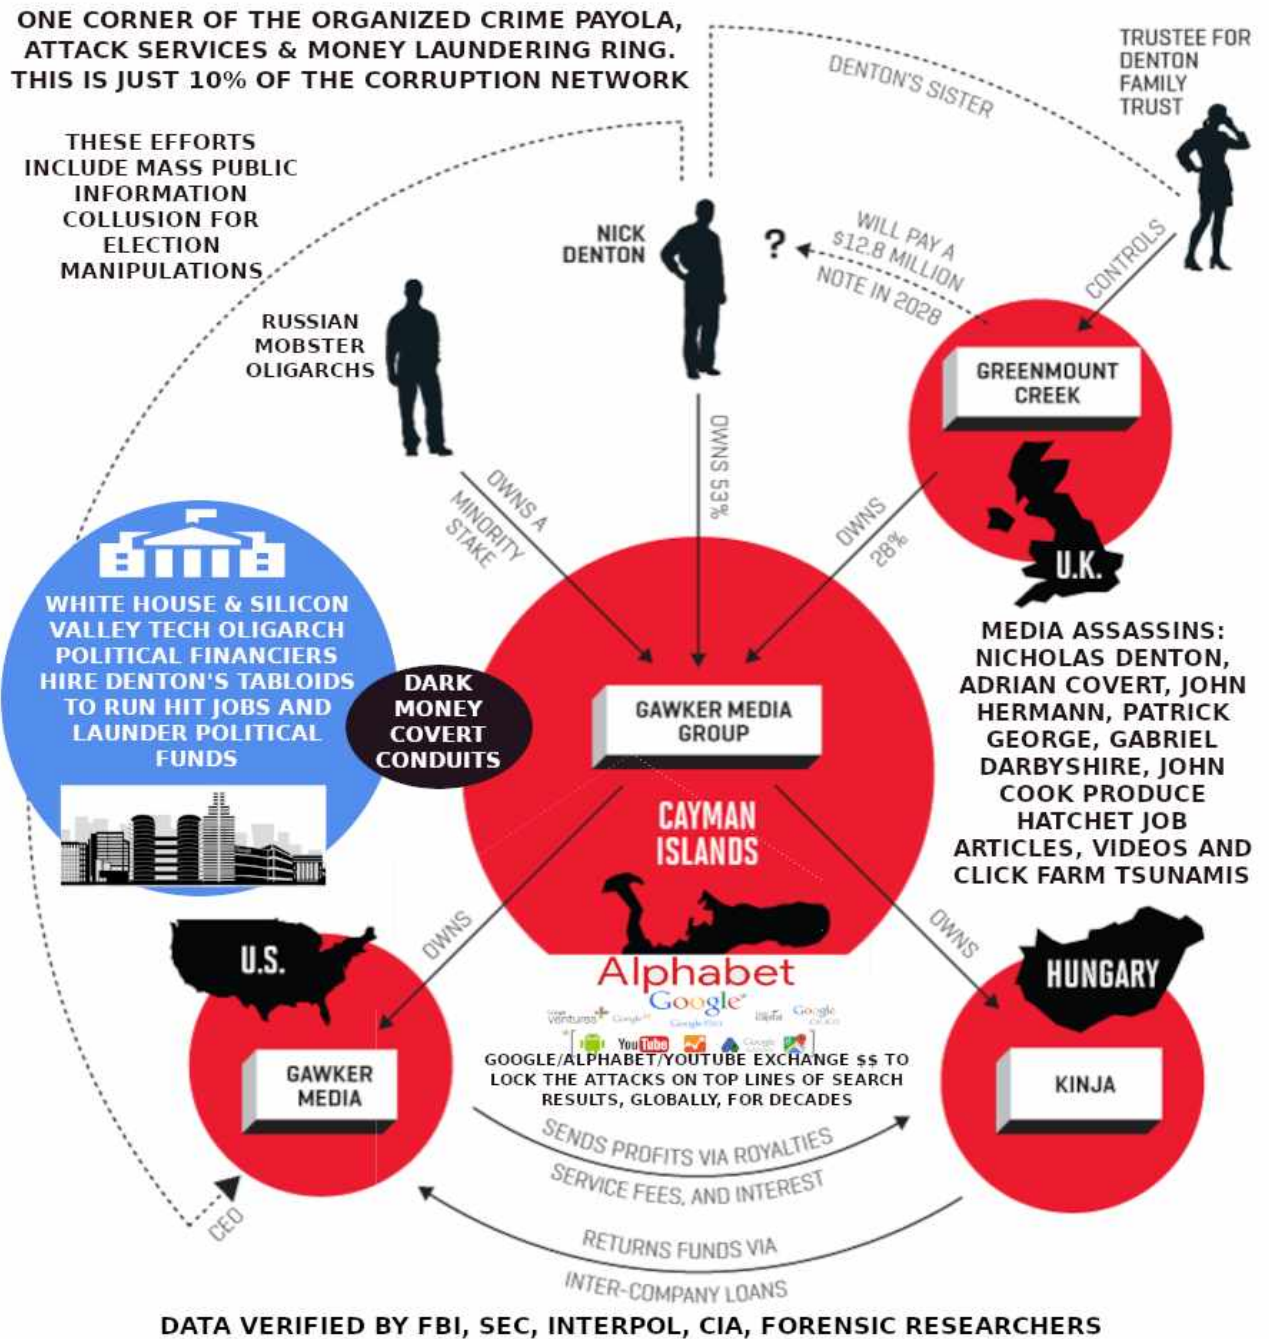

Pg 2 of 11, ATTACKERS EXHIBIT PART TWO- 5.16.22 – NorCal 9th District - CASE NO.: 22-
cv-1107-TSH

1 problem, for “Bad Buys” in the post-2000 era, is that nothing can be hidden because digital
2 technology monitors everything. It is said that “DEEDS DONE IN THE DARK, ALWAYS COME
3 TO LIGHT” and, in this case, that turns out to be quite accurate.

4 Law enforcement agencies, intelligence agencies and private investigators have identified
5 these attackers complicit in this matter.

6 A lifetime analysis of the published work, payments and who paid them, often via covert
7 payment routes, conducted at an FBI-level of research, reveals some pretty interesting illicit and
8 overt connections between all of them. For example, the following chart shows a typical money-
9 laundering, tax and government surveillance evasion system for one of the attackers:

Pg 8 of 11, ATTACKERS EXHIBIT PART TWO- 5.16.22 – NorCal 9th District - CASE NO.: 22-cv-1107-TSH

1
2
3 While the thousands of graphics that Plaintiff's investigators have acquired provide a good
4 visual tale of the crimes, corruption and attacks, the following text description of an FBI-level
5 investigation is even more shocking. It is important to keep in mind that U.S. Government officials
6 faxed, emailed, U.S. mailed and delivered the character assassination materials to Plaintiff's
7 employers, family, friends, associates, fiance and others, in order to maximize the harm to Plaintiff.
8

9 All of the attacks got paid cash, stock perks, job advancements and other compensation.
10 Here are some of the ways they hid the compensation transfers:

11 - *"Based on publicly available FEC records, repeatedly throughout the 2016 presidential*
12 *campaign, HVF would purportedly transfer funds to its constituent political committees, which*
13 *included between 34 and 40 state parties," the complaint states. "On the very same day each of*
14 *these transfers supposedly occurred, or occasionally the very next day, every single one of those*
15 *state parties purportedly contributed all of those funds to the DNC."*
16

17 - *In New York City, No. 9 East 71st Street is a well-known sex mansion used to pay off*
18 *politicians and operatives via sex favors*

19 - *On Nov. 8, Craig B. Hulet, a well known and highly respected analyst on government*
20 *policy, terrorism, and international relations, spoke on Coast to Coast AM regarding the growing*
21 *scandal involving a lawsuit against the Federal Reserve, major banks, and many members of the*
22 *Bush and Obama administrations. During his one hour interview, Hulet offered the assessment that*
23 *many members of the Obama cabinet, including Hillary Clinton, Timothy Geithner, and Eric*
24 *Holder, were resigning their offices due to their potential roles in the TARP money*
25 *laundering lawsuit.*
26

27 - *Attorney General Jeff Sessions encouraged the DOJ to reopen the Uranium One case.*
28

Pg 9 of 11, ATTACKERS EXHIBIT PART TWO- 5.16.22 – NorCal 9th District - CASE NO.: 22-
cv-1107-TSH

1 This indictment may be a byproduct of their investigation into the Clinton Foundation and Russia.
2 Fitton doesn't think it's coincidental that the DOJ under Obama was "hiding this in plain sight
3 from the American people", and certainly hiding "key elements" from congress. Then the DOJ
4 under "Jeff Sessions responds by saying we're going to take another look at this. There's a new
5 indictment to follow up on the indictment that is already out there, or a conviction... from 2015."
6 According to Fitton, this is a follow-up investigation that started in Little Rock Arkansas. Both the
7 FBI and the Attorney General are looking into pay to play allegations on the part of the Clinton
8 Foundation. "One would hope Uranium One is part of it." He claims there were tens of millions of
9 dollars that were laundered by the Russians through the Clinton Foundation.
10

11 - The Committee to Defend the President, a political action committee, filed its complaint
12 with the FEC on Monday with the allegations that the Hillary Victory Fund (HVF) solicited cash
13 from big-name donors, including Calvin Klein and "Family Guy" creator Seth MacFarlane --
14 money that was allegedly sent through state chapters and back to the DNC before ending up with
15 the Clinton campaign.
16

17 - The FBI and FINCEN found that attacker David Brock, a professional cyber attacker and
18 media assassin, has 7 non-profits, 3 Super PACs, one 527-committee, one LLC, one joint
19 fundraising committee, and one unregistered solicitor crammed into his [office in Washington DC](#).

20 Uncovered records expose a constant flow of money between these organizations. The
21 Bonner Group, his professional solicitor, works off a commission. Every time money
22 gets passed around, Bonner receives a 12.5% cut. It appears that Brock has been
23 passing around donations quite a bit, giving The Bonner Group a handout each time. In
24 2014, [Media Matters for America](#) raised \$10,021,188. The Bonner Group was credited
25 for raising these funds. Media Matters paid them a \$1,147,882 commission. That same
26 year, Media Matters gave a \$930,000 cash grant to David Brock's [Franklin Education](#).
27
28

Pg 10 of 11, ATTACKERS EXHIBIT PART TWO- 5.16.22 – NorCal 9th District - CASE NO.:

22-cv-1107-TSH

Forum, an organization that shares office space with Media Matters. In 2014, the Franklin Education Forum reported \$994,000 in total contributions. 93.6% of that total came from Media Matters! Surprisingly, though, the Franklin Education Forum gave full credit to Bonner for raising that money. They paid the fundraiser a \$124,250 commission in 2014! As all of these groups exist within Brock's DC office, it would be difficult for him to claim he had no idea this was going on. The report continues: Furthermore, the New York Times reports that David Brock shares a summer rental in the Hamptons with Mary Pat Bonner, the President of the Bonner Group!

The above quoted sections of investigations are not the exception but, rather, the rule in money-laundering and covert payola to attackers. We have over 200,000.. let me repeat, OVER TWO HUNDRED THOUSAND OTHER EXAMPLES OF THESE ILLICIT PAYMENT SCHEMES TO POLITICAL AND ANTI-COMPETITION ATTACKERS FINANCED, SUPPORTED, ENABLED AND OPERATED BY THE U.S. GOVERNMENT! These payments occur in government offices DAILY! Government officials do not halt these methods, stop stock ownership by politicians, or delay this money laundering because THEY PROFIT FROM IT. That is WRONG, ILLICIT, CRIMINAL and a VIOLATION OF THE BASIC PRECEPTS of AMERICA!

DATED this day of the filing of 2022

Respectfully submitted,

(SIGNED ELECTRONICALLY)
